DATE - APRIL 12, 2023

Dear Parent

Festivals are an expressive way to celebrate the heritage, culture, and traditions of our country. It helps us rejoice in special moments with our loved ones and instills the value of sharing amongst people. It enhances our social life as we get to know the various traditions around us.

Baisakhi is a colourful festival that marks the beginning of the harvest season bringing hope and energy into the atmosphere. It is also a festival to celebrate the spirit of 'seva'.

To add colour to our day, we would appreciate if our little Dipsites are dressed in comfortable ethnic wear tomorrow, April 13, 2023.

Attractions-

- Baisakhi Craft- Children will make crafts related to Baisakhi.
- Circle Time- The importance of the festival will be shared in the form of a story
- Assembly- All the children will participate in Bhangra on Dhol
- 'Seva'- Children along their teachers will be serving water to our didis.

We thank you for your co-operation.
