Date: November 06, 2023

Dear Parent,

We hope this message finds you well. In light of the ongoing concerns regarding air quality in the National Capital Region & adjoining areas, the Commission of Air Quality Management has taken significant measures to address this issue.

We would like to inform you that, as per their directive (vide no. 120017/27/GRAP/2021/CAQM dated 02.11.2023), we are required to implement all measures outlined in Stage III of the Graded Response Action Plan (GRAP).

Consequently, we **MAY BE** required to suspend classes (Pre-Nursery to Prep) in **OFFLINE** mode as done in Delhi. While the health and well-being of our students is of utmost importance to us, we shall ensure academics are not affected adversely BY **SWITCHING TO ONLINE MODE OF STUDY (IF REQUIRED)**.

**We encourage you to ensure that your child has access to the necessary digital resources to facilitate a smooth transition, should such a situation arise.**

KINDLY NOTE IN VIEW OF THE PRESENT SITUATION –

- We also plan to suspend all outdoor activities at school w.e.f November 6, 2023 till further orders are received.
- Students may wear masks preferably N95 for additional protection. Support for our students' safety and education remain our top priorities.

We look forward to your co-operation.

Regards  
Principal  
DPS Greater Faridabad
