My Dear Dipsite

Each year, as 5th September draws near, **Teachers' Day** becomes a special occasion for celebrating the special bond between you and us. It's a cherished day for all of us.

To have a memorable time together, we wish to organize '**The Teachers' Day celebration at school for classes Pre Nursery – Prep on Monday, September 4, 2023 (Regular school timings)**'. The highlight of the day will be:

- Celebration with Class Teacher on Sept 4, 2023.
 - (a) You are invited to present dance, song, poem etc. dedicated to your teachers. If you wish to perform a dance kindly request your parent to WhatsApp the song to the **Class Teacher**.
 - (b) You will enjoy the special joys of a class party with your class teachers, so can bring food accordingly to share with friends.

So get ready to lend a voice to your thoughts and feelings.

Please Note: Tuesday, September 5, 2023 will be observed as an off for all students.

Looking forward to loads of fun and merriment.

Your loving Principal

Surjeet Khanna
