“The best way to multiply your happiness is to share it with others”

Dear Parent,

Celebrating festivals in school community creates joyful and memorable experiences for children along with exposing them to various cultural traditions and practices.

We are delighted to announce that we will be celebrating Eid-ul-Fitr on April 10th, 2024. We invite all Dipsites to participate in our Eid celebrations wearing traditional attire to add to the festive mood.

As part of the celebrations, we kindly request each child to bring a small portion of sewaiyaan or any two pieces of sweet to share with their friends. This tradition of sharing food symbolizes unity and generosity, key values of Eid.

Please be informed that April 11th, 2024, will be a holiday for our school in observance of Eid-ul-Fitr.

Let's come together to celebrate this special occasion and create lasting memories. Wishing you all a joyous Eid filled with love, happiness, and blessings.

Warm regards
Headmistress
