"A great conversation is the bridge between minds"

Dear Parents,

DPS Surajkund strongly believes in partnering with parents and giving them opportunities to be in sync with school community. We are delighted to introduce a special program **"Bridging Connections"**, designed to actively involve parents in our Dipsites learning journey. This program aims to foster a supportive environment for enhanced educational experiences.

To start this journey, we extend a warm invitation to you for "**Bridging Connections – A Coffee Morning"** on **Saturday, August 24th** for classes **Montessori – I**. This event is a wonderful opportunity to understand the pedagogy followed at school, connect with fellow parents, share experiences, strengthen our school community and foster closer connection between school and parents.

We will also be hosting a '**Parent Workshop on Why and How of Learning'** during this event. The workshop will provide valuable insights to support your child's learning and well-being. Our experienced educators will lead the session and be available to answer any questions you may have. We encourage all parents to join this workshop to enhance your child's learning experience at home.

Please note, this event is intended for parents only, as the focus will be on providing an adult –centered space for discussion.
