'Animals don't speak our language, but they understand our hearts.'

Dear Parent,

We are excited to announce a Speaking Activity for our young learners to be held on **16-12-2024** as part of our efforts to nurture confidence, creativity, and communication skills. The theme for this activity is "**Creatures Tales (My Favourite Animal).**"

Here's how you can help your child prepare for this engaging activity:

1. **Choose an Animal:** Help children select their favourite animal and learn a few interesting facts about it.
2. **Create a Short Talk:** Guide them to prepare a simple 4-5 sentence presentation about their chosen animal. They can talk about:
 - a. Its name and appearance
 - b. Where it lives
 - c. What it eats
 - d. Why it is their favourite animal

Presentation Parameters:

- Content
- Clarity of Speech
- Presentation
- Confidence

We also encourage a creative touch! **Your child may bring a related prop, drawing, or soft toy of their chosen animal (optional).**

The speaking activity will provide children with an opportunity to enhance their communication skills and express their creativity in a supportive environment.

We look forward to seeing all our little speakers shine on the day of the activity!

Warm regards,

Headmistress
