Dear Parent,

We are pleased to inform you that the Ministry of Education has introduced the **Automated Permanent Academic Account Registry (APAAR)**, a groundbreaking step towards a unified student identification system, known as **One Nation, One Student ID**. This initiative, aligned with the **National Education Policy 2020**, aims to provide every student with a **unique 12-digit APAAR ID**, ensuring streamlined, lifelong access to their academic records.

What is APAAR?

APAAR is designed as a **lifelong digital academic ID for students** across India. This ID will securely store and manage a student's academic history—from scorecards and certificates to achievements and co-curricular milestones—through a centralized, digital platform.

Benefits of APAAR

APAAR offers several key advantages for students and institutions alike -

- **Academic Flexibility:** APAAR facilitates the seamless transfer of credits between institutions, ensuring smooth transitions and personalized academic pathways.
- **Lifelong Learning Support:** With continuous access to academic records, students can seamlessly engage in skilling, reskilling, and upskilling activities from school through employment.
- **Simplified Verification:** Linked with the Academic Bank of Credits (ABC) and DigiLocker, APAAR simplifies verification for exams, admissions, and job applications, eliminating the need for physical certificates.

Action Required

To enroll your child in APAAR, kindly complete the attached consent form and submit it to the class teacher latest by December 27th, 2024.

This is a valuable opportunity to future-proof your child's academic journey and facilitate a smoother, more efficient educational experience. For your awareness, we will be discussing this initiative further during various sessions at the upcoming events, and the APAAR ID will be shared with the students.

For details and FAQ's please refer to the government guidelines on: <https://www.abc.gov.in/>

Thank you for your cooperation.

Regards,

Headmistress
