Date: February 12, 2024

Dear Parents,

At DPS Surajkund, we believe in **collaborating with parents** and offering them insights into our pedagogical practices thus fostering an **enriching educational environment**. In continuation to this, we're looking forward to your participation along with our little Dipsites to the super-fun **Back-to- School Day (PRE – NURSERY)** at our school, DPS Surajkund on **Wednesday, February 14, 2024**.

Please make a note of the following –

- The school timings for Back to School Day is **9:45 a.m. – 1:45 p.m.**
- We request you to reach school by **9:45 a.m.** to ensure smooth functioning of the day. You are requested to be seated in the **Pre Nursery classroom**.
- Remember the school days? Carry **a lunch and a munch** like our Dipsites do and you get to interact with your child's peer group and the parents while having the meal.
- It is mandatory to carry **parents' ID cards**.
- Wearing comfortable clothes will help you enjoy the day better. As we are celebrating **Basant Panchami**, a festival of joy and new beginnings we would like to encourage parents and our Dipsites to **wear yellow** in any form that you wish.
- For transport users - If parents are unable to attend Back-to-School Day and the child needs transportation, we request you to share the requirement latest by **Tuesday, February 13, 2024**.

Looking forward to a fun – filled day.

Regards

Headmistress

DPS Surajkund
