In a world dominated by screens and gadgets, it is essential to introduce poetry and other short forms of literature early in children's lives. Young children are naturally drawn to the rhyme and rhythm of poetry, which not only enriches their vocabulary, build language skills while infusing the sense of rhythm and expression but also helps them develop an appreciation for literature.

With this in mind, DPS Surajkund is committed to fostering a love for poetry and literature among our students. We are delighted to announce the upcoming presentation, '**Poem in Bloom**,' an English Poetry Recital for our Prep children, which will be held on July 24, 2024.

This event aims to nurture the poetic talents of our students and provide them with an opportunity to express themselves through the beauty of poetry and build confidence.

### Participation Guidelines:

1. Each student is required to prepare and recite one poem in English. The poem can be of their choice but should be age-appropriate and of reasonable length. They can also pick from previously learned poem.
2. Props are not required for the presentation.

**Success Criteria:** To ensure a successful recital, students should focus on the following criteria:

- **Memorization:** The poem should be well-memorized, allowing the student to recite it without prompts.
- **Clarity:** Speak clearly and at a moderate pace to ensure the audience can understand every word.
- **Posture and Eye Contact:** Maintain good posture and make eye contact with the audience to engage them effectively.
- **Confidence:** Display confidence and enthusiasm throughout the recitation.

We believe that '**Poem in Bloom**' will be an enriching experience for our students and will build their confidence further. We encourage you to support and assist your child in preparing for their recital.

We look forward to our Dipsite's wholehearted participation and a wonderful display of their poetic talents.

Warm regards,  
Headmistress
