Date: 11-11- 2024

Dear Parent,

At DPS Surajkund, we embrace the philosophy of "learning by doing." To support this approach, we are pleased to announce a special "**Show and Tell**" activity focused on our current theme, **Community Helpers!** This interactive event will allow children to engage in learning about the essential roles of community helpers in our society, while also helping them practice structured sentence formation and build language skills.

Activity Details:

- **Date:** 22nd November 2024
- **Day:** Friday
- **Theme:** Community Helpers
- **Dress Code:** Please have your child dressed as their chosen community helper (e.g., doctor, teacher, firefighter, etc.).

Preparation:

Encourage your child to prepare one or two lines about the community helper they are representing.

This is a wonderful chance for our young learners to express themselves and build confidence in public speaking. Your support in preparing them for this enjoyable learning experience is much appreciated!

Thank you for your cooperation.

Regards

Headmistress
