Dear Parent,

We are excited to share with you a wide range of activities happening across our school this term. From academic projects and sports events to cultural programs and community outreach, there's something for everyone to be involved in. We encourage all students to participate and make the most of these opportunities to learn, grow, and connect with others.

As part of our ongoing events, we are now celebrating Book Week, which includes a variety of activities for our Dipsites. One of the highlights is the **Book Exchange Program – Read and Share**. This initiative aims to cultivate a culture of reading and sharing among our students.

How it Works:

1. **Send a Book:** Please send a book to the school by **Monday, November 18, 2024**.
2. **Exchange:** The books will be catalogued and made available for exchange during school hours.
3. **Choose a New Book:** Participants will have the opportunity to pick a book from the exchange, fostering a love for reading and sharing.

We hope this initiative will not only ignite a passion for reading but also strengthen our sense of community and shared learning.

Please Note:

- The book should be in good condition and age-appropriate, suitable for sharing with their peers.

We look forward to your enthusiastic participation in the **Read and Share Book Exchange Program**.

Thank you for your continued support in our efforts to instil values in our Dipsites.

Regards
Headmistress
