Date 15-11-2024

Dear Parent,

We are delighted to announce an exciting art appreciation event featuring a colouring activity for our **Class Prep Dipsites on November 27, 2024**. Colouring is a vital activity for young children as it fosters the development of fine motor skills, creativity, and cognitive abilities. It encourages children to explore their imagination while enhancing their understanding of colour recognition, coordination, and artistic expression.

During this event, children will have the opportunity to immerse themselves in the vibrant world of colours and learn how to use them creatively.

They will continue to practice their colouring skills through various artistic activities at school and will be provided with practice sheets for home.

#### **Details of the Event:**

- **Date and Day:** November 27, 2024, Wednesday

#### **Expectations for our Dipsites:**

- Use a variety of colours thoughtfully and creatively.
- Colour neatly and mostly within the lines.
- Complete the entire task within the given time (35min.)

Students will be provided with sheets featuring drawings to colour, along with colouring materials for the activity.

Your support in encouraging children to practice will make this activity truly meaningful for our Dipsites!

Warm Regards  
Headmistress  
Delhi Public School Surajkund
