“Everybody says, Oh toddlers!”

Dear Parent,

We are excited to announce that our school will be celebrating **International Mickey Mouse Day** on **November 18, 2024** with a special event for our students! This fun-filled day will immerse our little ones in a world of creativity, music, learning, and healthy eating—all inspired by Mickey Mouse! Our Mickey Mouse Day will feature a variety of engaging activities aimed at introducing our Montessori children to the beloved character Mickey Mouse. The day's events are designed to foster creativity, improve coordination, enhance counting skills, and promote healthy eating habits.

Here's a sneak peek at our exciting activities for the day:

Mickey Mouse Headband Making: Each child will create their own Mickey Mouse headband to wear, promoting fine motor skills and creativity.

Mickey Mouse Dance Party: We'll play fun, energetic Mickey-themed songs and let the children dance along, encouraging movement and coordination.

Mickey Mouse Counting Game: Using Mickey Mouse cut-outs, children will play a simple counting game, helping develop early math skills in a playful setting.

Mickey Mouse Fruit Snack Sorting: Children will enjoy sorting colourful fruits while learning colours, and will enjoy a healthy snack as they explore new tastes!

Kindly send the following:

- Diced fruits (apple, guava, grapes, bananas) in a well-labelled box, also do not remove the peels of fruits.
- One round plate and 2 identical small round bowls (Katori).
- One child-friendly fork.

To add to the spirit of celebrations, we request parents to dress our little Dipsite in a Mickey Mouse-themed outfit OR Mickey-themed colours (red/white/black).

We look forward to a day full of smiles and laughter as we celebrate this beloved character together.

Warm Regards,
Headmistress
Delhi Public School Surajkund
