Dear Parent,

India is a land of rich cultural heritage, where festivals are celebrated with great enthusiasm across the country. As part of our theme for the month, "Feast and Fiestas", we are excited to announce a special stage presentation titled "**Food and Festivals in My Country**", by the Prep class, to be held on **November 28, 2024**.

The importance of stage performance lies in developing confidence, public speaking skills, and fostering teamwork among students. We believe this activity will enhance their communication skills, creative expression, and cultural awareness.

This stage performance will involve ramp walk in traditional attire representing a selected state, along with speaking about a famous festival and a traditional dish of that state, followed by a dance performance. The details of the attire and the state allotted to each child will be shared by the class teachers through an almanac note.

Presentation Guidelines:

- Loud and clear speech
- Memorization of content
- Confidence in walking

We look forward to your support in making this presentation a memorable and meaningful experience for our Dipsites.

Warm regards,
Headmistress
