“Together, we shape the future – one dialogue at a time”

Dear Parents,

DPS Surajkund strongly believes in partnering with parents and giving them opportunities to be in sync with school community. We extend a warm invitation to you for our special program **“Bridging Connections – A Coffee Morning”** on **Saturday, November 30th** for **class Prep**.

This event is a wonderful opportunity to understand **the pedagogy followed at school**, connect with fellow parents, share experiences, strengthen our school community and foster closer connection between school and parents. Our experienced educators will lead the session and be available to answer any questions you may have. We encourage all parents to join this workshop to enhance your child’s learning experience at home.
