Dear Parents,

The festive season has begun, and we are excited to celebrate it at school, fostering community and cultural awareness among our students. We will be celebrating Dussehra on **October 9, 2024** symbolizing the victory of good over evil. This event will offer students a chance to connect with our rich cultural heritage and learn important life lessons.

To make this occasion enjoyable for our students, we have planned the following activities:

Storytelling focused on values like righteousness, courage, and devotion.

Special Dussehra Assembly featuring a brief enactment of the Ramayana.

Art and Craft Activities centered on Dussehra themes.

Collaborative Ravan Effigy Making

Please note:

Students are encouraged to wear **traditional attire or costumes representing characters from the Ramayana (optional)** to enhance the festive spirit.

The school will be closed from **October 10 to October 12, 2024, for the Dussehra break** and on **October 17, 2024, for Valmiki Jayanti**.

Thank you for your cooperation and continuous support.

Warm regards,

Headmistress
