A Visit to the Supermarket – Learning About Healthy Choices

"Encouraging our children to make healthy food choices today sets the foundation for a lifetime of well-being."

Dear Parent,

We are excited to inform you that as a part of our Project-Based Learning experience, the students of Nursery will be visiting a local supermarket on **October 16, 2024**. During this visit, the children will have the opportunity to apply their understanding about healthy and unhealthy foods and make informed choices when selecting items to eat. This real-world experience will help reinforce their understanding of how to choose healthy options.

We kindly request you to send **₹20 in a well labelled envelope with your child on October 14**, which they will use to purchase a healthy item of their choice during the visit. This will give them the opportunity to make decisions and take responsibility for their choices.

Details of the trip are as follows:

- **Date:** October 16, 2024
- **Venue:** Local Supermarket
- **Time:** During school hours

The students will be accompanied by teachers, a lady guard, and support staff.

This will be a wonderful learning experience, and we appreciate your support in making it successful.

Warm Regards,
Headmistress
Delhi Public School
