Dear Parent,

Teacher's Day, celebrated annually on 5th September, is a special occasion to honour the invaluable contributions of our teaching community and to commemorate the birth anniversary of Dr. Sarvepalli Radhakrishnan. This day is dedicated to recognizing the dedication, hard work, and selfless service of teachers who play a crucial role in shaping the future by transforming countless lives.

To celebrate the tremendous efforts of our teachers, we will be holding Teacher's Day celebrations with our students on **4th September 2024**. Our celebrations would not be complete without the participation of our students, who are the heart of our educational institution. Students are encouraged to share a poem, thought, song, or dance to express their love and to honour their teachers.

In keeping with our school's philosophy of "simple living, high thinking," we kindly request that students refrain from bringing expensive gifts for their teachers. Instead, they can express their appreciation through a handmade card.

**As is our tradition, 5th September 2024 will be a holiday for our students, allowing us to dedicate the day entirely to appreciating our teachers.**
