“Grandchildren are the grandparents link to future and grandparents are the child’s link to the past”

Dear Parent,

Grandparents hold a special place in a child’s heart, offering wisdom, love, and a sense of tradition that enriches their lives in countless ways. They are the pillar of our families, passing down values, stories, and life lessons that help shape the character and identity of our children. Their presence is not just a comfort and joy but also a vital connection to our heritage and culture.

At DPS Surajkund, we believe in honouring the significant role that grandparents play in our students’ lives. To celebrate and cherish this bond, we are hosting a special event, “**Anmol Kahaniya: Dada-Dadi, Nana-Nani ke sang**”- a story session where grandparents are invited to come and share their stories with our children. This will provide a wonderful opportunity for our young Dipsites to enjoy quality time with their grandparents while also learning valuable life lessons and morals that, in today’s fast paced world, often get overlooked. We look forward to creating beautiful memories together and reinforcing the values that will guide our children throughout their lives.

We warmly encourage our grandparents to participate in this special event by filling out the **Google form by 6th September**. Your stories and anecdotes will create a lasting connection with the future generation, and we eagerly wait for your enthusiastic participation.
