Dear Parents,

We are excited to share our ongoing sustainability initiatives at school, aimed at fostering environmental responsibility among our students. As part of our commitment to the **3Rs—Reduce, Reuse, and Recycle**—we invite our Dipsites to participate in a **special collection drive**.

Please encourage your child to bring any item/items from the following list to school by **Friday, September 20, 2024**:

Bottle caps	Used ice cream sticks
Used cans	Paper products
Nut bolts	Old CDs
Fuse small size bulb	Used straws
Small size discarded goggles	Needle thread reel (empty)
Wooden and plastic cloth clip	Small plastic pipe
Old Pen / sketch pen / pencils	Disposable spoons (wooden/plastic)
Small size waste toys	Artificial flowers
Old Small and big size buttons	Small size plastic balls

Your support is crucial in helping us create a sustainable future for our children. We believe that by working together, we can instill a sense of **environmental stewardship** in our students. We appreciate your enthusiastic participation in this initiative.

Thank you for your cooperation.

Best Regards

Headmistress
