Dear Parent,

Gandhi Jayanti, celebrated on October 2nd, honours Mahatma Gandhi's life and principles of non-violence and truth. Gandhi's teaching inspire young minds to embrace these values in their daily lives, fostering a spirit of compassion and understanding. At school, we are sharing these principles with our Dipsites through videos and hands-on activities.

In line with this, we are excited to announce a speaking activity, 'Growing Kindness Together,' for our students on **Monday, October 7, 2024**. For this event, they are invited to prepare and present a speech in English highlighting 2-3 key teachings of Mahatma Gandhi.

Steps of Presentation:

1. **Introduction:** The child introduces themselves and mentions what they will be presenting.
2. **Content:** Two to three sentences on the teachings of Mahatma Gandhi.

This initiative aims to help children understand the importance of values such as non-violence, truth, and respect for others while spending quality time with parents. We warmly encourage you to actively support your ward in this exciting and meaningful endeavour! Your involvement will make a wonderful difference in their experience.

Presentation Parameters:

- **Content:** Focus on 2-3 key points or teachings to ensure clarity and simplicity.
- **Clarity of Speech:** How clearly the child speaks about the topic.
- **Presentation:** Students are effectively engaged with the audience, demonstrating strong organization in their presentation, and making excellent use of props to enhance their message.
- **Confidence:** Make eye contact and smile at the audience to foster connection and speak confidently.

We are confident that this event will provide our students a valuable opportunity to learn the importance of kindness, respect for others, and the value of unity.

Thank you for your cooperation.

Warm Regards,
Headmistress
