Hearts of Joy: Cookie Decoration Day

Learning shapes in the early years plays a vital role in building foundational thinking and observation skills. It helps children make sense of the world around them, strengthens visual discrimination, and supports early math and language development. To further reinforce the understanding of the *heart shape* through a play-way approach, we are planning the “**Hearts of Joy: Cookie Decoration**” learning activity. This enjoyable experience will enhance children’s creativity, fine motor skills, and shape recognition through fun, hands-on exploration.

Note:

- Please send **one plain heart-shaped cookie** or a **bread slice cut into a heart shape** with your child on the same day.

We look forward to your support and cooperation in making this creative experience enjoyable for our little ones.

Special Assembly- Christmas Themed

Christmas is here, and we are ready to celebrate with traditional cheer!

We are delighted to inform you that a **special assembly** based on the Christmas theme is being planned for our little Dipsites on **Wednesday, December 24, 2025**. This celebration will provide children with an opportunity to participate in songs, dialogues, and dance performances that will not only deepen their understanding of the festival's spirit but also help strengthen speaking abilities, build confidence, foster teamwork, and encourage creative expression.

Students are requested to come dressed in **special attire that suits their role in the assembly**. The details will be shared by the class teacher via message.

The celebration will also include **Christmas-themed activities** as well as a **Christmas party**. Children are encouraged to bring Christmas-themed party food to share with their friends during the celebrations.
