“When parents and teachers come together, learning becomes limitless.”

Dear Parents,

At DPS Surajkund, we deeply value our ongoing partnership with parents and the meaningful conversations that strengthen our school community. As part of our continued **“Bridging Connections”** initiative, we are pleased to invite you to our upcoming **Parent Workshop and Coffee Morning for Montessori and Balvatika I** parents.

For this coffee morning, our objective will be to gain a deeper understanding of how children learn through exploration and hands-on learning. A **Parent Workshop on ‘Building Mathematical Thinking’**, is planned offering practical insights on how numeracy is developed in our classes and addressing any queries you may have to further support student learning.

Following the workshop, we welcome you to join us for **Coffee Morning**, designed to encourage conversation, connection, and collaboration among parents and the school team.
