Date:27-01-2025

Dear Parent,

As part of our theme of the month, '**Roots to Roars**', we are excited to announce a special speaking activity for the students of Class Prep, titled '**Magic of Plants**'. This activity will take place on **31st January 2025** and will allow students to explore and share their knowledge about the fascinating world of plants.

#### **Activity Details:**

**Students should prepare a short speech of about 5-6 sentences on a chosen plant, covering its parts and explaining its importance.**

Students may use props such as pictures, plant models, or real plant parts to enhance their presentation.

#### **Presentation Parameters**

- Content
- Clarity of Speech
- Presentation
- Confidence

This activity will encourage students to develop speaking skills, confidence, and a deeper understanding of the role plants play in our environment. By researching and presenting on a specific plant, students will also learn about its growth, structure, and significance to nature and human life.

We look forward to seeing the creativity and enthusiasm of our young learners as they present the "**Magic of Plants.**"

Thank you for your unwavering support in our efforts to nurture confident and accomplished Dipshits.

Warm regards,  
Headmistress  
Delhi Public School Surajkund
