“Every child is born with wonder in their eyes — it is through shared moments of joy that imagination takes flight.”

Dear Parent,

Following our earlier communication regarding **Whistle & Wow 3.0** in Circular – 082 dt. 04-11-25, we are pleased to share further details as we approach this much-awaited celebration. This year, **Ellie is celebrating Children’s Day along with our Dipsites, making it a joyful two-day event filled with wonder and excitement. Our Dipsites will be engaging in a series of thoughtful, hands-on, and fun-filled experiences designed to inspire discovery and shared family moments.**

We are happy to share that **Balvatika II to Grade II will be participating with 100% involvement in a special surprise planned exclusively for parents.** Our young learners will take on the role of **Fun Quiz Masters**, leading an engaging, interactive, and joyful quiz round designed to bring smiles and laughter to all. Adding to the excitement, Dipsites will also be part of a **Character Parade** inspired by the magical worlds of Harry Potter, Moana, and other storybook realms of imagination. **Detailed instructions regarding costumes and roles will be communicated by the Class Teachers over a message.**

We encourage **our young Dipsites (Mont & Balvatika – I)** to come dressed as fairy tale, storybook, or imaginative characters of their choice. These little ones will simply join in to enjoy the celebrations, and we are excited to see the charm, creativity, and joy they bring along!

This year, **Children’s Day celebrations extend into a joyful two-day event, as Ellie joins our Dipsites** in creating moments of wonder, play, and happiness. The coming week will be filled with discovery, creativity, laughter, and memorable experiences for our little ones.
