“It takes a community to make the world shine — let’s meet the stars who make it happen!”

Dear Parents,

As a part of our ongoing theme ‘**Helping Hands Arounds Us**’, we are delighted to share that the young learners of **Balvatika II** will be participating in a **Show and Tell activity** titled “**Meet Our Community Stars**” on **Friday, November 21, 2025**.

You are requested to prepare our Dipsite with **5–6 sentences** on any **one community helper** of their choice. Children are encouraged to dress up as their selected community helper—for example, a chef, banker, baker, etc. They may carry a small, easy-to-handle prop related to their role to enhance their presentation.

Parameters for Evaluation:

- **Clarity of Speech:** Expressing words clearly and correctly.
- **Confidence:** Speaking comfortably in front of an audience.
- **Enthusiasm:** Showcasing their role with excitement.
- **Memorisation:** Remembering and delivering lines independently.

This activity will help children gain confidence in expressing their thoughts, enhance their communication and presentation skills, and develop a sense of appreciation for the people who contribute to our community in various ways. It also nurtures creativity and social awareness, encouraging them to value teamwork and responsibility from a young age.

We look forward to seeing our young stars shine bright as they celebrate the wonderful helpers in our community!

Warm Regards,
Headmistress
