“Children learn best not just by seeing and listening, but by doing and exploring.”

Dear Parent,

As part of our commitment to providing meaningful and hands-on learning experiences, DPS Surajkund continues to create opportunities for children to explore and **learn beyond the classroom**. In alignment with this vision, the school has organized a **Neighbourhood Visit under the ongoing project “Our Neighbourhood” on Monday, October 13, 2025.**

During this visit, students will explore important **community places such as the Fire Station, Gurudwara, and Bank**. The experience aims to help children understand how these institutions function and the vital roles they play in ensuring safety, service and financial awareness in our community. Such experiential learning **promotes holistic development, enabling children to connect classroom knowledge with real-life situations**. It also nurtures curiosity, empathy, and respect for community helpers, while encouraging social awareness and a sense of responsibility.

Kindly Note –
