“May the light of Diwali illuminate our hearts and homes, filling them with peace, happiness, and compassion.”

Dear Parent,

Diwali, the festival of lights, celebrates the **victory of goodness and truth**, inspiring us to embrace kindness, generosity, and gratitude in our lives. As we gear up to celebrate this joyous occasion, we are delighted to share some important activities planned for our Dipsites.

HAPPY BANK – JOY OF GIVING

In the true spirit of Diwali — a festival that celebrates light, generosity, and compassion — we extend our heartfelt gratitude to our parents and staff who have been supported us in this noble cause. Each year, through your voluntary contributions to the **“Happy Bank – Joy of Giving”** initiative, you help bring smiles to the faces of underprivileged children in our community. This year too, we invite your thoughtful contributions to continue spreading hope, happiness, and the joy of giving.

You may contribute any of the following items -

- Dry eatables such as packets of wheat flour, rice, pulses, dalia, tea leaves, sugar, jaggery, or non-cream biscuits.
- Woollen clothes
- Sweet boxes (200–250 gms)
- Old books in good condition
- Lactogen powder boxes
- Diapers or any other useful item you would like to contribute towards the cause.

Please send the contributions to your ward's class teacher between **October 13, 2025 – October 17, 2025**. Our teachers will personally visit the **Miracle Charitable Society, Lakewood City**, to distribute these contributions with love and care.

LIGHT & LOVE: HANDMADE DIWALI CARDS

- We are committed to nurturing creativity and artistic expression among our Dipsites. In this spirit, we planned a special project where our students designed and created beautiful handmade Diwali greeting cards, ready for printing. **These cards provide a wonderful opportunity for our Dipsites to showcase their creativity while spreading joy to those who receive them.**
- We kindly request a contribution of **Rs. 120** from each parent to support this initiative. Please send the amount in a **well labelled sealed envelope** with your ward to school by Monday, **October 13, 2025**. All contributions collected will be donated to charitable causes.

DIWALI DELIGHT

- To make the festive spirit even brighter, a Diwali Celebration has been planned on October 17, 2025. Dipsites are requested to come dressed in traditional attire to add to the joy and vibrancy of the occasion.
- Each student is requested to bring two diyas which they will decorate here and share with school bhaiyas and didis as a gesture of gratitude and love.
- Kindly send two pieces of any traditional sweet with your ward to share during the celebration.
- A teacher-led special assembly on Diwali will be conducted to help children understand the festival's significance and values. As part of the celebration, students will also participate in cleaning their classrooms with the guidance of teachers — embracing the true essence of Diwali and learning valuable life skills through this experience.

Please note that the Diwali Break for students of Montessori to Grade II will be from October 20, 2025 – October 24, 2025. School will resume on Monday, October 27, 2025.

Let us all celebrate a green and eco-friendly Diwali, cherishing traditions while caring for our planet.

Wishing you and your family a joyous, prosperous, and safe Diwali !

Warm Regards

Headmistress
