Date: 15-10-25

Dear Parent,

Our young learners are brimming with excitement as they get ready to showcase their learning through their Annual Projects. They are eagerly looking forward to sharing their hard work and creative ideas with their parents.

In addition, as shared in Circular No. 074 and 075, we are pleased to inform you that the Term I HPC Report Card is now available on the Parent App. This will give you an opportunity to go through it in detail and discuss the same with the class teacher tomorrow, October 16th, 2025.

To view the report card, please follow the steps below:

1. Open the Parent App.
2. Click on the Beta Dashboard.
3. From the left-side panel, select Result.
4. On the top bar, click on Progress Report to view your child's Term I HPC Report Card.

Regards

Headmistress

DPS Surajkund
