“To understand a child, one must be willing to walk a mile in their tiny shoes”

Dear Parent,

**Have you ever wondered what a day at school feels like for your little one?
Here’s your chance to experience it all!**

We are excited to invite you to our **“Back-to-School Day” on Friday, November 7, 2025** — a special day designed for you to walk in the footsteps of our Dipsites and enjoy a playful, learning-filled day together.

This is a **wonderful opportunity** to relive the joy of school life — to sit in tiny chairs, explore curious corners, laugh, learn and rediscover the magic of being a child again. So, pack your enthusiasm and get ready for a delightful day of new discoveries... a **“once-in-a-school-time” experience** that you won’t want to miss!

Back-to-School Details –

- **Timings – 8:45 a.m. – 1:15 p.m.**
- **Start the Day Right** – We request that you arrive by **8:45 a.m.** to ensure a smooth start to the day. Please proceed directly to the Montessori classroom upon arrival.
- **Food Time, Fun Time** – We encourage you to bring a lunch and a snack, just as our Dipsites do. This will also provide an opportunity to interact with your child's peers and their parents during the meal.
- **ID Please** – It is mandatory for all parents to carry their parent ID cards.
- **Dress for Play** – For your comfort and enjoyment throughout the day, we recommend wearing comfortable attire.

Kindly note, if you are unable to attend and your ward requires school transport, kindly inform the class teacher by November 5, 2025. Please submit the attached consent form by November 5, 2025 to help us finalize the necessary arrangements.

We can’t wait to welcome you back to school. Let’s make it a day full of smiles, learning and shared stories.

Regards

Headmistress
DPS Surajkund
