***“Meaningful conversations build meaningful connections.”***

Dear Parents,

At DPS Surajkund, we deeply value the partnership between school and home and believe that strong collaboration creates a nurturing environment for our young Dipsites. With this vision, we continue our ongoing programme, **“Bridging Connections”** which aims to actively engage parents in their child’s learning journey while strengthening our school community.

As a part of this programme, we warmly invite you to **“Bridging Connections – A Coffee Morning”** on **Saturday, April 25<sup>th</sup>, 2026**. This gathering offers a wonderful platform to gain insights into our teaching approach, interact with fellow parents, exchange experiences, and build a deeper connection with the school.

During the event, we will also conduct a **Parent Workshop on “Why and How of Learning”** This session is thoughtfully designed to provide valuable guidance on supporting your child’s learning and overall development. Our educators will lead the workshop and will be happy to address your queries. We encourage your participation to make the most of this enriching experience.

Kindly note that this event is **exclusively for parents**, as it is designed to facilitate focused discussions in an adult-oriented setting.

**Event Details:**

- **Parent Workshop – “Why and How of Learning” | 11:00 a.m. – 12:00 p.m.**
- **Coffee & Conversations | 12:00 p.m. – 12:30 p.m.**

We request you to fill out the attached google form by **Wednesday, April 22<sup>nd</sup> 2026** to help us plan the arrangements effectively. We look forward to your presence and participation.
