*“At the heart of excellence lies a love for learning and the continuous sharpening of skills.”*

Dear Parents,

Delhi Public School, Surajkund remains steadfast in its commitment to nurturing young minds and fostering both academic excellence and holistic development. The school is pleased to announce that students of Grade I & II have the opportunity to enroll in various Olympiads for the academic session 2026–27. These Olympiads are conducted under the aegis of the Science Olympiad Foundation (SOF).

It is pertinent to note that the school views these Olympiads not merely as competitions but as enriching educational experiences. The emphasis is placed upon participation, exposure, and the process of learning itself. Each child who participates stands to gain something of value, be it skill enhancement, heightened self-awareness, or the joy of exploring a subject in greater depth.

Parents who wish to enroll their ward are requested to complete the requisite formalities by the prescribed deadline, details of which shall be communicated separately.

The details of Olympiads -
