My India, My Pride

"A nation's culture resides in the hearts and in the soul of its people."-Mahatma Gandhi

India's strength lies in its rich diversity, with each state contributing a unique thread to the vibrant tapestry of our culture, language, and traditions. In keeping with this spirit, the school has planned a week-long celebration to introduce students to the different states of India and to explore their distinctive heritage.

As part of this initiative, students of Grade II will focus more on **Kerala**, the southernmost state of India, and learn about its unique traditions, language, attire, and cultural practices.

Activity Details:

- **Date of Presentation:** January 23, 2026
- **Presentation:** Students will present a short showcase highlighting Kerala's culture, important landmarks, topography, traditional food, attire, and classical dance forms.
- **Dress Code:** Students are requested to wear the traditional attire of Kerala on the day of the presentation. Details of the attire will be shared by the class teacher.

We look forward to enthusiastic and vibrant participation from our Dipsites. This celebration promises to be an enriching experience, fostering pride in and appreciation for India's rich cultural heritage.
