Theme of the Month

Winter season and Spring season

Grade - Nursery
Month - February - March

Dear Parent

"As a new month begins we are ready to welcome our little Dipsites with great enthusiasm and love. We embrace new hopes, new learning and exciting opportunities to enhance the lives of our young learners.

Centered around the theme 'Winter and Spring Season' our students will gain knowledge about how weather changes, clothes that we wear according to season, food that we eat etc. They will also experience the beauty of spring season by going on excursion with their peer members and teachers. They will also delve into the learning of new phoning sounds and new concepts in their logical reasoning and numeracy.

In this new month of joyful learning our young learners will get more exciting opportunities to present their skills on stage. Celebrations plays a vital role in one's life so, we at DPS always aims to make our Dipsites lives more fun filled with different celebrations. Our little munchkins will be celebrating the festival of 'Basant Panchmi' with great zeal as it marks the beginning of Spring Season.

We wish our young learners a happy learning ahead !

Rhymes of the Month

A Little Seed

A little seed for me to sow
A little soil to make it grow
A little hole, a little pat, A little wish,
and that is that,
A little sun, a little shower.
A little while –
And then, a flower!

पेड़ हमारे साथी

पेड़ हमारे साथी हैं,
छाया हमको देते हैं।
बाढ़ से हमें बचाते हैं,
मीठे फल भी देते हैं।
फिर भी कटते हैं बेचारे,
कितने जरूरी हैं पेड़ हमारे।
हम पेड़ लगाएँगे,
भारत हरा-भरा बनाएँगे।

NOTE:

RECAPITULATION OF ALL THE CONCEPTS WILL BE DONE IN THE MONTH OF MARCH.
