

**Theme of the Month**

# **Harvest Havens**

**Class: Pre-Nursery**  
**Month: January**

Dear Parent

As we welcome the new year, we want to take a moment to express our excitement for the new possibilities that our students will explore in the coming months.

This month, our theme is 'Harvest Havens', and we are thrilled to share with you the many ways in which our students will learn about important foods. Through hands-on activities, we will learn about the nutritional benefits of fruits and vegetables, as well as the importance of incorporating them into a healthy diet. We will explore different types of fruits and vegetables, their origins, and how they are grown. We will also have the opportunity to taste a variety of fruits and vegetables and learn how to prepare them in healthy and delicious ways.

We are confident that this theme will inspire our children to develop a lifelong love of healthy eating.

As the month proceeds, we will also be looking forward to Republic Day, where our students will explore the cultural diversity of our country by learning about its culture throughout the week. We look forward to a fun-filled month!

Wishing you and your family a Happy and Healthy New Year!

## Activities of the Month

Play-based learning activities help the child develop an interest and purpose for learning.

- \* Fruit Salad Activity
- \* Freeze Dance
- \* Making a Vegetable Sandwich
- \* How Plants Grow

## Celebrations

Celebrations add sparkle to life.

Kindly book your calendar for the celebrations of the month.

- \* Pongal (16-01-24)
- \* Evening Camp (19-01-24)
- \* Republic Week (22-01-24 to 25-01-24)

# Scholastic & Co-Scholastics Block

## Linguistic Skills

- ❖ Oral Interaction: Poem Recitation & a discussion on the importance of plants and trees
- ❖ Continuation of the phonic sound and identification of letter i & introduction to the phonic sound of letter p
- ❖ Pre-writing skills: Continuation of Slanting line and upward curve

## World Around Me

- ❖ Introduction to different types of fruits & vegetables
  - How fruits and vegetables are grown?
  - Healthy Eating

## Mathematical Skills

- ❖ Quantification and Identification of Number 4
- ❖ Introduction to Number 5
- ❖ Sequencing of Numbers 1-5

## Logical Skills

Shape Stacking with various shapes and sizes

## Gross Motor Skills

- \* Recreational activities
- \* Side jumps
- \* Mountain pose

## Life Skills

- \* Basic First-Aid
- \* Clean up the room

## Musical Skills

- \* Winter time is here

<https://youtu.be/vpaBH2PbWkc?si=tEyqrLDDTinFbsPP>

- \* Hum Honge Kamyab

<https://youtu.be/s6lM1TS16gk?si=3Hh0RaaeMBG5GtOA>

## Aesthetic Skills

- \* paper crushing (carrot)
- \* Colouring
- \* Colour Mixing
- \* Joining and pasting of cutouts
- \* kneading, cutting and joining clay

## Exploration Skills

- \* Rising water experiment
- \* Magic with salty water

## Fine Motor Skills

- \* Finger paint
- \* Peeling Tape
- \* Rubberband fishing

# One, Two, Buckle My Shoe

One, two,  
buckle my shoe.

Three, four,  
knock at the door.

Five, six,  
pick up sticks.

Seven, eight,  
lay them straight.

Nine, ten,  
a big fat hen.

# Story Time

**KROOK AND HIS FRIEND**

**THE BIG SILLY CROCODILE**

**TAKING CARE OF PLANTS**

## Vocabulary Enrichment

To develop the lexicon, the words below will be introduced during our everyday conversations.

### Vocabulary related to fruits and vegetables:

green, plants, healthy, food, eat, colourful, juicy, peel, slice, dice

### Vocabulary related to the letter p:

pot, plate, pet, peacock, parrot, pink, etc.

## Communication Time

To enhance communication skills, we will be using these questions as a part of our daily conversation this month.

- What is your favourite fruit?
- Why do you eat fruits?
- What can we make with fruits?
- Why should we eat vegetables?
- Which are your favourite vegetables?
- Have you ever grown your fruit or vegetable?
