# A Peek at Our Week

**Class  
Nursery**

**Week-5  
May 8-12, 2023-24**

**Theme of The  
Month- April-May  
'The Wonderful Me!'**

Dear Parents

Day by day our little Dipsites are growing and settling down happily in the school environment. Everyday our little learners enter the school with smiling faces that melts our heart. They enjoy each and every corner of the school now, interacts more with their peer members. Our little learners are enjoying the play-based learning process as they are learning pre- number concepts, different shapes, colours, more about the summer season and different letter sounds.

Celebrations add joy to the life and our little learners never fall behind; they actively participate in all the celebrations that take place in the school. Coming week, we will be celebrating "Mother's Day". Children will be involved in various activities showing gratitude towards their mothers. "A mother is the one who fills heart in the first place."

Looking forward for a wonderful week ahead.
