**Theme: Transportation**

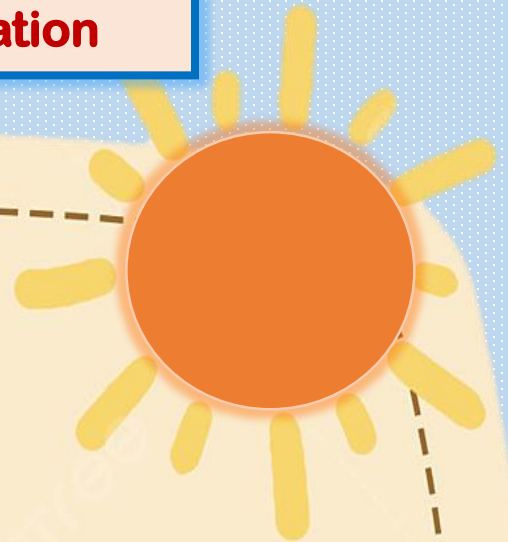

Dear Parent,

We are delighted to announce that our young performers not only charmed the audience during their 'Garba Fun' performance in celebration of Navratri, but also demonstrated their commitment to stage performance etiquette.

Their dedication and talent truly lit up the stage!

Moving ahead in the month of November, we have some exhilarating plans in store for our students. Our focus primarily will be on exploring the fascinating world of transportation, delving into various modes of travel such as land, water and air. Through engaging activities, informative discussions, and hands-on experiences, we aim to ignite their curiosity and deepen their understanding of this exciting theme. In addition to this, our little Dipsites will be learning new phonic sounds!

We look forward to a month filled with laughter, learning and celebration!
