## **THEME OF THE MONTH: “FARM FRIENDS & PET PALS”**

Class: Montessori  
Month: September  
Value of the Month: Self Discipline  
Session: 2024-2025

# LEARNING AT GLANCE

As we welcome September, our young explorers are set to embark on an exciting journey with the theme "Farm Friends & Pet Pals." This month, our children will dive into the fascinating world of farm and pet animals, exploring the unique traits and sounds of these friendly creatures through engaging, hands-on activities. This project-based learning approach is thoughtfully integrated to enhance their understanding and connection with the animal world, fostering both curiosity and creativity. We're excited to see our little learners discover and grow through this theme!

September also brings a series of cultural celebrations, including Ganesh Chaturthi and Eid-e-Milad. These celebrations will allow our children to immerse in the vibrancy of our traditions while coming together to celebrate as a community. The festivities will also spark their creativity as they explore new crafts and engage in activities like clay molding, connecting cultural heritage with creative expression.

Another highlight this month is Art Week, where our little ones will dive into the world of art and creativity. They will be introduced to artists and the fundamentals of artistic expression, learning to appreciate various forms and colours as they create their masterpieces.

In addition to these exciting themes, September will focus on enhancing linguistic and numeracy skills and socio-emotional development. Children will engage in activities designed to build their vocabulary, develop pre-number concepts, and learn about shapes. They'll also begin exploring animal sounds, linking their logical reasoning to the world around them.

Let's embrace September with enthusiasm as we guide our children through a month brimming with learning, creativity, and celebration, allowing them to discover the wonderful world of animals and the joy of exploration.
